

# Samnan Siddique

Full Stack Developer

Kathmandu, Nepal • +977 9840273029 • samnansiddique@yandex.com

With 2+ years of experience in web development, I specialize in building high-performance applications that deliver exceptional user experiences. My journey in tech started with a Open Source Exploration, and I've since worked with startups and established companies, helping them scale their applications and improve their technical infrastructure
